

Sixth International Conference On Mobile Radio And Personal Communications: 9-11 December, 1991

by International Conference on Mobile Radio and Personal Communications ; Institution of Electrical Engineers

Patent EP0660635A2 - Handover method in mobile communication . Sixth International Conference on Mobile Radio and Personal Communications, 9-11 December 1991; organised by the Electronic Division of the Institution of . IEEE Xplore Abstract - Sixth International Conference on Mobile . Title variation. Mobile Radio and Personal Communications, 1991, Sixth International Conference on; Mobile radio and personal communications. Creator. Jean-Paul Linnartz, Wireless Communication, Watermarks Sixth International Conference on Mobile Radio and Personal Communications: 9-11 December 1991 | E E Conference Publication: Amazon.de: M.C. Lawton, Sixth International Conference on Mobile Radio and Personal . AbeBooks.com: Sixth International Conference on Mobile Radio and Personal Communications: 9-11 December 1991 (I E E Conference Publication) Sixth International Conference on Mobile Radio and Personal . Sixth International Conference on Mobile Radio and Personal . 11 Dec 1991 . Personal Communications: 9-11 December 1991 | E E Conference 1-4 GHz for Mobile Radio Systems, Sixth International Conference on Sixth International Conference on Mobile Radio and Personal . 1 Nov 1997 . Wireless Personal Communications: An International Journal archive . Systems, 6th IEE International Conference on Mobile Radio and Personal Communications, pp. 126-130, Coventry, UK, 9-11 Dec. 1991. 14. 14.
